MISSION

The preferred choice when the work must be done right — every time.

ABOUT STATESMAN

Statesman Project Services is a minority-owned small business that bids for and performs service-based contracts on behalf of federal, state, and municipal government agencies as well as private enterprises. We combine the rigor of an enterprise prime contractor with the responsiveness of a local operator — mobilizing teams quickly, executing within compliance, and finishing on time and on budget. Whether the scope is facility oversight, logistics, project management, procurement, or operational support, our promise is the same: the work gets done right, the first time.
